DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Irikura et al. (U.S. Pat. No. 6,447,419 B1) discloses a body frame having left and right traveling parts, a prime mover, a power transmission system for traveling straight forward, a power transmission system for turning, a PTO, and a pump, but does not disclose separate power transmission systems for the pump and the PTO, or a continuously variable transmission device for turning. Irikura et al. also does not disclose that power is branched between a front lid portion and an intermediate portion of the transmission, charge ports of the transmission devices communicably connected with each other through a charge oil passage, or a booster for turning and a booster for traveling straight forward mounted in the intermediate portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Drew J. Brown whose telephone number is 571-272-1362. The examiner can normally be reached on Monday-Thursday from 8 a.m. to 4 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Paul N. Dickson can be reached on 571-272-6669. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
